## **RE 388 Machleary Street**

Dear Mr. Molnar, Ms Rowett, Mr. Anderson, Mr. Persanyi, and Mr. Echaiz-McGrath,

On behalf of the Nanaimo Old City Association (NOCA), I would like to thank the Molnar Group and City of Nanaimo for participating in the community meeting held by the Nanaimo Old City Association on Tuesday, March 27, 2018. We are pleased to report that close to 80 people attended.

You'll recall that people attending the meeting were invited to provide feedback on the latest design which Mr. Echaiz-McGrath and Mr. Persanyi presented. I am pleased to provide the Molnar Group and the City of Nanaimo with a copy of the survey results representing 51 completed surveys.

The Nanaimo Old City Association believes the feedback received through the March 27<sup>th</sup> meeting and future engagement processes will ensure the project is based on input from the residents in the neighbourhood.

The Nanaimo Old City Association looks forward to working collaboratively with the City of Nanaimo, the Molnar Group, and local residents to achieve an outcome that benefits all parties and enhances the quality and character of the Old City.

Sincerely,

Joy Adams Bauer, President  
Nanaimo Old City Association
